To Whom It May Concern:

This letter certifies that the North Carolina Council on the Holocaust in its May 2008 meeting unanimously endorsed the AfterWords Project coordinated by Dr. Roy Schwartzman at the University of North Carolina, Greensboro. This project is designed to collect, analyze, and preserve the resettlement stories of Holocaust survivors in North Carolina. The Council supports the AfterWords Project as a worthwhile effort to recognize the resilience of Holocaust survivors and to document their contributions to our society.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Abramson".
